WEX8092	80 to 96kW Package (3 stage)	\$720.00
WEXPMD1020	10 to 20KW (1 stage) PMD Model Units only	\$680.00

### Extended Warranty Procedure

- Where possible extended warranty should be invoiced on the original invoice of sale. Where this is not possible or practical a separate invoice can be raised.
- Extended warranty invoicing must be completed prior to installation of the unit.
- The Outdoor Unit Serial Numbers and Model Numbers must be listed on the invoice at all times.
- ActronAir may request a copy of the extended warranty invoice after the completion of the standard warranty period.
- No discount is to be applied to the above pricing.

**PLEASE ENSURE ABOVE PROCEDURES HAVE BEEN COMPLETED PRIOR TO GOODS BEING  
 DESPATCHED.**
